

The South African National Biodiversity Institute (SANBI) is offering the following position:

**Chief Director: Biodiversity Research,
Assessment and Monitoring
Salary Level 14**

All-inclusive remuneration package of R1 436 022.00 - R1 716 933.00 per annum

Biodiversity Research, Assessment and Monitoring Division

Pretoria/Kirstenbosch National Botanical Garden

Reference Number: BRAM/002/2024

This position is being re-advertised and candidates who have already applied should not re-apply again as their applications will still be considered

The South African National Biodiversity Institute (SANBI) is looking for a highly motivated individual to provide strategic leadership for SANBI, particularly in the thematic areas of work assigned to the Biodiversity Research, Assessment and Monitoring Division (i.e. biodiversity assessment, pressures, and knowledge/evidence required to inform decision making and policy).

For more detailed advert and to apply visit: www.sanbi.org or contact Mr Maano Netshiombo on tel: (012) 843 5295/082 453 0497 for any queries.

Persons with disabilities are encouraged to apply. SANBI reserves the right not to fill this position. All applications will be considered with the understanding that, in terms of the SANBI Employment Equity Plan, preference will be given to candidates from the designated groups.

Closing Date: 19 July 2024

Candidates are expected to be available for selection interviews on a date and time as determined by SANBI. If no response has been received within 30 days of the closing date, candidates may consider their applications unsuccessful.
