

VACANCY – SENIOR WATER-USE LICENCE CONSULTANT

Job position: Senior – Level Water Use Licence Consultant

Job Type: Permanent

Company Name: Bokamoso Landscape Architects and Environmental Consultants CC

Location: Pretoria (office-based)

Closing date: 20 June 2026

Roles / Responsibilities & Job Description

Bokamoso is looking for a Senior – Level Water Use Licence Consultant who can facilitate water use authorisation processes, conduct public participation meetings and other stakeholder engagements. In fulfilling this role, the Consultant will be responsible for:

- Determining site sensitivities, water uses and the correct licences required, as well as the application process to follow.
- Compiling Water Use Licence Technical Reports and Compliance Audit Reports.
- Determining project costs and managing project budget.
- Manage and coordinate Public Participation Processes.
- Liaising with clients and authorities.
- Overall project management and specialist management.
- Analytical report writing.
- Guide and train Junior Environmental Scientists.
- Prepare high-quality EIA/ESIA reports using technical knowledge and specialist inputs (beneficial).

Qualifications

Qualifications/Experience Required:

- Minimum of Honours Degree in Environmental Management, Environmental Science or similar field.
- At least 5 years' experience in environmental consulting.
- Knowledge of relevant environmental policies/legislation.

- Must be SACNASP registered (Professional).
- Must be able to meet deadlines.
- Must be able to work independently and without supervision.
- Must also be able to function productively as part of a team.
- Must be willing to travel for site visits and client meetings.
- Qualification in riverine and wetland ecosystems will be beneficial (not required)
- Valid Driver's License (Code B or higher)
- Valid Work Permit or South African ID

Salary Range: Market related and based on experience.
